 @Subhamjoshi18   @SubhamJoshi

SKILLS

- **Java (Core Java, Hibernate, JDBC, Spring Boot, Spring Security)**
- **JavaScript (React JS, Nest JS, Express JS, Node JS)**

- **Version Control (Git, GitHub, SOURCE TREE)**

- **Proficient in Restful API Design and Implementation.**

- **Proficient In backend Technologies (TypeScript, BullMq, Kafla)**
- **Docker Containerization and Kubernetes Container Orchestration.**
- **Database (MongoDB, MySQL, PostgreSQL, Prisma, TypeOrm, and Redis).**

EDUCATION

- Bachelor In Computer Science and Information Technology |Texas College (3rd Semester)
- Science +2 | Capital College And Research Centre

EXPERIENCE

- **Software Engineer Trainee | Uba Solution / MonoType   (Feb 27 – Present)**
  Wrote Frontend and Backend APIs for Building a Management System web Application. Additionally performed Unit Test Using (Jest) – React Js, Node Js, Express Js, TypeScript, Redis, Docker

- **Full Stack Developer Intern| Code Himalayan   (Jan 01 – Feb 20)**
  I adeptly contributed to frontend and backend Development using technologies like React Js and Node Js. While also integrating APIs for enhanced Functionality. I collaborated closely with cross Functional Teams, utilized version control tool such as Git and GitHub.

PROJECTS

- **Digital Automatic Teller Machine**
  Spring Boot, Spring Security, React Js
  (https://github.com/SubhamJoshi18/DigitalAtmJAVA.git)

- **Complete E-Commerce APIs Integrated**
  JavaScript, Node Js, Express Js, Mongo DB
  (https://github.com/SubhamJoshi18/Complete-E-Commerce-Subham.git)

- **Intern Management System**
  TypeScript, Node Js, React Js, Express Js, Redis, MongoDB, Docker

  (https://github.com/SubhamJoshi18/InternManagementSystem.git)

- **Learning Management System Backend Phase**
  TypeScript, Node Js, React Js, Express Js, Redis
  (https://github.com/SubhamJoshi18/LMS-BACKEND-PHASE.git)

- **News Display System with OOP**
  OOP, OOP Implementation in Node Js, Express Js, Redis, Message Queue (BullMq),

  (https://github.com/SubhamJoshi18/BullMQ-And-Redis-OOP_NodeJs.git)

- **Quiz Application With Java Spring Boot**
  OOP, Java, Redis, Spring Boot, Spring JPA, PostgreSQL

  (https://github.com/SubhamJoshi18/JavascriptQuiz_Java.git)
